Are you unable to face the sun?

Our gentle sensitive skin needs all the attention as it needs protection against UVA and UVB. Ultraviolet radiations absorb moisture from skin leaving it dry and damaged. Re-lighten your skin with anti-oxidant power of Green tea. Quick action of Octyl Methoxycinnamate acts as a shield against UVA and UVB while sunflower oil enhances skins moisture retention capacity and protects from inflammation caused by too much exposure to the ultraviolet rays of the sun.

Now enjoy the exhilarating sensation of a
